

# Don't Let Daddy Kiss Me

Motörhead

Little girl sleeping in dreams of peace,  
Mommy's been gone a long time,  
Daddy comes home and she still sleeps,  
Waiting for the world's worst crime.

And he comes up the stairs like he always does,  
And he never turns on the light,  
And she's wide awake, scared to death,  
She smells his lust and she smells his sweat  
Curled in a ball she holds her breath  
Praying to a God that she's never met

R: Don't let daddy kiss me,  
Don't let daddy kiss me  
Good night

Little girl lies by her daddy's side  
And she listens to him breathe  
She knows there's something awful wrong  
That she's far too young to see  
And she knows she can't tell anyone  
She's so full of guilt and shame,  
And if she tells she'll be all alone  
They'd steal her daddy and they'd steal her home  
And it's not so bad when daddy leaves her alone  
Praying to her God with his heart of stone

R:  
And daddy lies by his daughter's side,  
And he sleeps both deep and well  
No nightmares come to him tonight,  
Though his daughter lives in hell

For his seed is sown where it should not be  
And the beast in his mind don't care  
And the only sounds are the tears that fall

Little girl turns her face to the wall  
She knows that no one hears her call,  
But it seems like God hears nothing at all

Don't let daddy kiss me,  
Don't let daddy kiss me,  
Don't let daddy kiss me

Good night  
Oh dear
