

## Jailbait

Motörhead

Hey baby you're a sweet young thing  
Still tied to mommas apron strings  
I don't even want to know your age  
I'm just happy you're back stage

You're jailbait  
And I just can't wait  
Jailbait, baby come on

One look baby all I need  
My decision made at lightning speed  
I don't even want to know your name  
It's enough to know you feel the same

You're jailbait  
And I just can't wait  
Jailbait, baby come on

Hey baby, know you look so fine  
Send shivers up and down my spine  
I don't care about our different ages  
I'm an open book with well-thumbed pages

You're jailbait  
And I just can't wait  
Jailbait, baby come on
