Jailbait

Motörhead

Hey baby you're a sweet young thing Still tied to mommas apron strings I don't even want to know your age I'm just happy you're back stage

You're jailbait
And I just can't wait
Jailbait, baby come on

One look baby all I need

My decision made at lightning speed

I don't even want to know your name

It's enough to know you feel the same

You're jailbait
And I just can't wait
Jailbait, baby come on

Hey baby, know you look so fine Send shivers up and down my spine I don't care about our different ages I'm an open book with well-thumbed pages

You're jailbait
And I just can't wait
Jailbait, baby come on
