

Like a Nightmare

Motörhead

I want to be there, I got to see
I want to feel it; I want to watch you looking at me
Oh, you know how I feel when you set me free
Like a nightmare, like a nightmare, babe
Like a nightmare, nightmare, ow

It's an infection, it's a disease
But no reflection, it's going to make your blood freeze
Oh, you know how I feel when you set me free
Like a nightmare, like a nightmare, babe
Like a nightmare, night, nightmare, ow

I can't believe you, you can't be true
But I'll bereave you; I'm going to spoil how good it feels
I know how you feel; I'm going to set you free, ah
Like a nightmare, like a nightmare, sugar
Like a nightmare, night, night, night, night, night, night, night
