

Louie Louie

Motörhead

Louie-o Lou-ay
Oh, baby
We gotta go
Ay ay ay ay ay
Louie-o Lou-ay
Oh, baby
We gotta go

A fine little girl, she's waiting for me
I sailed the ship across the sea
On the ship you know I'm all alone
I wonder when I'm gonna make it home

Louie-o Lou-ay
Oh, baby
We gotta go
Ay ay ay ay ay
Louie-o Lou-ay
Oh, baby
We gotta go

Three nights and days I sailed the sea
I think of girl o' constantly
On the ship you know I dream she's there
I smell the roses in her hair

Louie-o Lou-ay
Oh, baby
We gotta go
Ay ay ay ay ay
Louie-o Lou-ay
Oh, yeah
We gotta go

O.K., lets give it to 'em, right now

I see Jamaica moon above
I don't know where I'm gonna seem a love
I gonna hold her in my arms and then
I tell her that I'll never leave again

Louie-o Lou-ay
Ay ay ay ay ay
No we gotta go
Oh, no
Louie-o Lou-ay
Oh, baby
We gotta go
Hey hey hey hey
