

## Love me like a reptile

Motörhead

Knew I had to bite you baby when  
I first set eyes on you,  
That moment turned me on,  
I can't believe it's true.

I like to watch your body sway,  
I got no choice,  
I'm gonna twist your tail.

Love me like a reptile!  
Love me like a reptile!  
I'm gonna sink my fangs in you.

Thunder lizard, stony eye,  
You got me hypnotised,  
Hot tongue breaks in and out  
And I can't believe my eyes.

And your soft white belly,  
Next to mine,  
Scaly baby, see you shine,

Love me like a reptile!  
Love me like a reptile!  
You're murder in disguise.

Black mamba, murder in disguise

Baby you're a rattlesnake,  
You know the way I feel,  
Feel you crawling up my back,  
You've got no love to steal.

You know I've got my eyes on you,  
You're petrified, gonna stick like glue.

Love me like a reptile!  
Love me like a reptile!  
Shock you like an electric eel.
