

# Metropolis

**Motörhead**

Metropolis,  
The worlds collide.  
Ain't nobody could be on your side.

I don't care, I don't care

Metropolis  
Is something new.  
Ain't nobody got their eye on you.

I don't care, is nowhere.

Metropolis,  
The worlds collide.  
Ain't nobody on the other side.

I don't care, I'm not there.
