Motörhead

Got to hurry, got to hurry  
I don't believe you worry  
Take it back, take it back  
You know you can't do that  
Don't want no sleep  
Up for a week  
Yes, I'm a speekfreak, speedfreak

Way too fast, way too fast  
Gonna be the first and last  
Shoot ya down, shoot ya down  
Flamin' Wreck you hit the ground  
Up for a week  
Don't need no sleep  
Cos I'm a speedfreak, speedfreak

No regrets, no regrets  
You can't afford'em yet  
Comin' down, comin' down  
Over, under, sideways, round  
Up for a week  
Playin' Hide and Seek  
Cos I'm a speedfreak, everlasting speedfreak
