

# The Train Kept A-Rollin'

**Motörhead**

I was alone, she was a woman,  
I was a man, I never knew her name,  
And she was pretty, New York City  
I just gotta let it go,  
The train kept a rollin' all night long

Get it on, cheap little woman get it on, on my way  
Get it on, cheap little woman get it on, on my way  
The train kept a rollin' all night long  
The train kept a rollin' all night long
