Get Out

Motograter

Sitting around your whole fucking life Wasting all your precious time Not doing a fucking god damn thing Except another bullshit line

Get out, getout, get out, get the fuck out Get out, getout, get out, get the fuck out

Every morning it's your face Another day for you to waste Why don't you go to another place Your just a big fucking disgrace

Get out, getout, get out, get the fuck out Get out, getout, get out, get the fuck out

I see right through your bullshit lies Your nose your mouth and your thin fucking disguise Why don't you go on your own fucking way How many times must I say

Get out, getout, get out, get the fuck out Get out, getout, get out, get the fuck out
