

# Fist Of The Dragon

Motorjesus

I'm the man, I'm the man - the shapeless, fearless dragon brother  
A legend, iron hand - a fist of fury - a strike to the other  
s Master and machine - determined and clean - aim for wisdom and  
choose your weapon Be the water my friend and it flows till the  
end of your days He was the man of knowledge - father the son  
Balance the good deeds and the damage is done

War - he's man of war - unlike anyone before - the fist of the  
dragon - and it's calling for - war

I'm the man - iron man - burning words and fighting spirit - tiger  
style, freedom ringer - to kill one man with his left finger -  
mind soul and fire - raging fist dragon eye - we will never  
forget He was the true believer - follow the sun - he hits you  
harder than a hammer had done

War - he's man of war - unlike anyone before - the fist of the  
dragon - and it's calling for - war

Bow down, the legend - the fist of interception - now become the  
master - no one can beat you faster

War - he's man of war - unlike anyone before - the fist of the  
dragon - and it's calling for - war
