Star Star Star

Motorpsycho

Look at him grovel; humble, humble Look at him smooch his way inside Check out the styling; sexy, sexy Starstruck enjoying every inch of the ride He was a star star star

The power of ballads on formated DJ's The smell of the green as the units soar Up with a bullet, down with the 'boppers Safe in the knowledge that much needs more He was a star star star

Go international; billboard, billboard

A & R chieftains with goldplated cards Coked to the eyeballs; units, units "lead 'em to water, these idiot bards" The limeys adored him, and so did the frenchies, Loved in the US and loved by the krauts He was the greatest; shining, shining Too bad the smack made his teeth fall out He was a star star star A star star star He was a star star star star star
