

## Black Hills

**Mott the Hoople**

You could never know just how sad I feel  
'Cause I've been down so long and I don't know  
Where to come

Looking out the back door  
To the empty hills beyond over there  
There's something I don't understand

Yeah, you can make what you like of it  
But I don't want to be a part of it anymore
