

Follow The Word

Moya Brennan

Follow the word
Follow the hope
Follow the dream

Willing to meet
Willing to go
Willing to share

Follow the word
Follow the hope
Follow the dream

Willing to meet
Willing to go
Willing to share

Still gray skies will turn to blue
Under this banner of hope
Hidden stories on winding roads
I trust Your ways

Is Tú mo Dhia
Is Tú tá lán
Do ghrá inniú domh
Is Tú mo Dhia
Is Tú tá lán
Do ghrá inniú domh

Follow the word, your action
Follow the hope, your vision
Follow the dream you gave to me

Willing to meet the answer
Willing to go the journey
Willing to share my love for You

You sent from the heavens
All that's precious from above
Your breath from the heavens
I will cherish all your love

Follow the word, your action
Follow the hope, your vision
Follow the dream you gave to me

Willing to meet the answer
Willing to go the journey
Willing to share my love for You

You sent from the heavens
All that's precious from above
Your breath from the heavens
I will cherish all your love

Sailing out in gathered haze
Calling gently a new way
This banner of hope

Is Tú mo Dhia
Is Tú tá lán
Do ghrá inniú domh
Is Tú mo Dhia
Is Tú tá lán
Do ghrá inniú domh
