

## Mothers Of The Desert

Moya Brennan

Where will we run? Sacrifice our time  
Secret songs are somewhere in the desert  
Don't let me stray  
A light will shine bringing liberty

Scattered clans, scattered lands  
Waiting for me

Reaching frontiers, warriors of the past  
Hear their voice, the mothers of the desert  
Daring to dream, a prayer, a hope  
Peaceful harmony

Turning lies, turning tides  
Turning for me
