

To The Water

Moya Brennan

Yaweh, look on me now
Clouded, the sky I see
Make my eyes crystal clear
Walk with me to the water

Tabhair domh do lámh
Tabhair domh do lámh
Tabhair domh do lámh

Yaweh, You gave me love
Cradle this flame above
Rest Your hands upon my head
Lead me down to the water

Tabhair domh do lámh
Tabhair domh do lámh
Tabhair domh do lámh

Yaweh, make me Your stream
Place me inside Your dream
Touch my mouth, softly call
Take me out to the water

Tabhair domh do lámh...
