

## To The Water

Moya Brennan

Yaweh, look on me now  
Clouded, the sky I see  
Make my eyes crystal clear  
Walk with me to the water

Tabhair domh do lámh  
Tabhair domh do lámh  
Tabhair domh do lámh

Yaweh, You gave me love  
Cradle this flame above  
Rest Your hands upon my head  
Lead me down to the water

Tabhair domh do lámh  
Tabhair domh do lámh  
Tabhair domh do lámh

Yaweh, make me Your stream  
Place me inside Your dream  
Touch my mouth, softly call  
Take me out to the water

Tabhair domh do lámh...
