Black top blazin', hometown fadin' Out of sight in the rear view mirror Stevie Ray blasting on the radio As I slam it into higher gear

My baby's by my side, tears in her eyes Writing a goodbye letter Sayin' Johny and me are running' wild and runnin' free Just like you did momma

Don't know where we're goin'
But when we get there we'll know
We're gonna follow the code of the road

Jump into the fire
Keep our love alive and kickin'
Down the dorr, it's what we're livin' for
Rockin' side by side
Keep your love alive and kickin'

We got everything we own in the trunk and on the roof And she's got baby sitting money in her pocket We're drivin' fast, ain't no looking back We're flyin' through the desert like a rocket

White line widin' up interstate five The road goes on forever And it does't matter where it's gonna take us As long as we're together

We're talkin' our chances Gonna do it our way Pedal to the metal shooting down the highway

Jump into the fire
Keep our love alive and kickin'
Down the walls, that's when
Freedom calls
Rockin' side by side
Keep your love alive and kickin'
