

## Burn

Mr. Big

The sky is red, I dont understand,  
Past midnight I still see the land.  
People are sayin the woman is damned,  
She makes you burn with a wave of her hand.  
The citys a blaze, the towns on fire.  
The womans flames are reaching higher.  
We were fools, we called her liar.  
All I hear is burn!

I didnt believe she was devils sperm.  
She said, curse you all, youll never learn!  
When I leave theres no return.  
The people laughed till she said, burn!  
Warning came, no one cared.  
Earth was shakin, we stood and stared.  
When it came no one was spared.  
Still I hear burn!

You know we had no time,  
We could not even try.  
You know we had no time.

You know we had no time,  
We could not even try.  
You know we had no time.

The sky is red, I dont understand,  
Past midnight I still see the land.  
People are sayin the woman is damned,  
She makes you burn with a wave of her hand.  
Warning came, no one cared.  
Earth was shakin, we stood and stared.  
When it came no one was spared.  
Still I hear burn!
