

Dancin' with My Devils

Mr. Big

I've been burin' the blues with a capital B
Surfin' in hell for a brand new me
Got a bone to pick with my skeleton crew
Cashin' in my IOUs

Smoke 'em if you got 'em
Ain't no place like rock bottom

I'm dancin' wit my devils
Blind side by side
I'm dancin' with my devils
Me, myself and I

I've been workin' the street in the same old suit
And there's a hole in my soul that's showin' right through
No more walkin' the walk or talkin' that fast talk
'Cause I'm out of my skin and takin' my clothes off

Smoke 'em if you got 'em
Ain't no place like rock bottom

I'm dancin' with my devils
Blind side by side
I'm dancin' with my devils
Me, myself and I
I'm dancin' with my devils
Doin' the Spanish fly
I'm dancin' with my devils
Hotter than July

I want to do what I wanna do
I have to be who I want to be
Hey you just gotta get over it
It's good be the king

Smoke 'em if you got 'em
Ain't no place like rock bottom
When all is said and done
If you can't beat 'em join 'em and then some
