

East/West

Mr. Big

Here's looking at me
Here's looking at you
woh-oh
Here's to everything that we've been through
woh-oh
Woh-hoo woh-woh-oh-hoo

East is the West is the place we meet alone
I am and You are the everlasting road
Now the time has come and I want you to know

Here's looking at me
Here's looking at you
woh-oh
Here's to everything
that we've been through
woh-oh

The years they move so fast
Goodbye
Today is in the past
We run through the pages
They never seem to last
Oh-ho,
Now the time has come
And I want you to know
Hoh-oh
Here's looking at you
oh- oh- ooh- oh

The good and bad
They make the chain
And in my life
I can't explain
Through it all
No one's to blame
And I want you to know

Here's looking at me
Here's looking at you
woh-oh
Here's to everything
Yeah yeah yeah yeah
that we've been through
Hoh-hoh

Here's looking at me
Here's looking at you
woh-oh
Here's to everything
Oh-oh-oh
that we've been through
woh-oh
Oh- woh- oh- woh
Oh- ooh- woh- oh
Oh- ooh- woh- hoo
Oh- oh- oh- oh- oh
