

## Fool Us Today

Mr. Big

They say it's not the money  
You know it's not the money  
Can you figure out what you want  
What you need?  
They try to pump it up, forget about the facts  
Sometimes it hurts but it's never taken back  
The left is right, the right is left  
Oh yeah, I gotta get this thing right off my chest

R: Black, white and grey what can you do  
What can you say?  
How can they fool us today?  
Hold your head up high, laugh till you cry  
How can they fool us today

Talkin' twenty-four, seven. we're losin' what we're gettin'  
They slap you down with a call from up above  
It's a window to the world  
A word to every man  
Just gettin' it up, we'll all do what we can  
They do it all for you, much better than the rest  
Hey it's alright if you can pass the test

R:

It's all good new, we can buy and sell  
Yeh! Don't stop now you can unring a bell

Black, white and grey what can you do  
What can you say?  
How can they fool us today?  
Hold your head up high, laugh till you cry  
How can they fool us today  
Catch the falling sky, we're all gonna die anyway  
How can they fool us today?
