

# How Can You Do What You Do

Mr. Big

You can knock me out  
I've been down for the ten-count before  
Better give it up  
Don't have to show me I've had enough

I've seen the way you've been  
Stealin' with those eyes.  
You're high-heeled trouble  
You're dangerous  
With a criminal mind

R: How can you do what you do  
What you've done to me  
Take the pain and the pleasure  
Turn it around on me  
How can you do what you do  
Is what I don't believe

Break down the walls  
Live and learn from a hurricane  
You just can't come and go  
Another hit on the hurt parade

You think I love it when you're  
Tearin' me apart  
Don't you see, you're playin' games  
With my heart

R:

What went wrong  
Who's to blame  
Tell me now  
You're never gonna change

I've seen the way you've been  
Stealin' with those eyes  
You're high-heeled trouble  
You're dangerous with a criminal mind
