

How Can You Do What You Do

Mr. Big

You can knock me out
I've been down for the ten-count before
Better give it up
Don't have to show me I've had enough

I've seen the way you've been
Stealin' with those eyes.
You're high-heeled trouble
You're dangerous
With a criminal mind

R: How can you do what you do
What you've done to me
Take the pain and the pleasure
Turn it around on me
How can you do what you do
Is what I don't believe

Break down the walls
Live and learn from a hurricane
You just can't come and go
Another hit on the hurt parade

You think I love it when you're
Tearin' me apart
Don't you see, you're playin' games
With my heart

R:

What went wrong
Who's to blame
Tell me now
You're never gonna change

I've seen the way you've been
Stealin' with those eyes
You're high-heeled trouble
You're dangerous with a criminal mind
