

Just Take My Heart

Mr. Big

It's late at night and neither one of us is sleeping
I can't imagine living my life after you're gone
Wondering why so many questions have no answers
I keep on searching for the reason why we went wrong

Where is our yesterday
You and I could use it right now
But if this is goodbye

Just take my heart when you go
I don't have the need for it anymore
I'll always love you, but you're hard to hold
Just take my heart when you go

Here we are about to take the final step now
I just can't fool myself, I know there's no turing back
Face to face it's been endless conversation
But when the love is gone you're left with nothing but talk

I'd give my everything
If only I could turn you around
But if this is goodbye

Just take my heart when you go
I don't have the need for it anymore
I'll always love you but you're hard to hold
Just take my heart when you go
