

# Never Say Never

Mr. Big

I wanna know was it love or money  
Come clean tell the truth about what you've done  
Why did you give your love to another man?  
Girl, I believed you were the one

I shoulda known I'd be caught in the middle  
No way out-no alibis  
I've tried my best but I don't understand  
What's so good about long goodbyes-ya

Never say never  
Cuz I still remember  
How we thought that love never ends  
Through good times and bad times  
It's always a fine line  
I'll never say never again

So far so good  
you showed me how love is misunderstood  
Whatever it takes  
i've made some mistakes  
But never again

Never say never  
Cuz now we're together  
We'll keep holdin' on till the end  
One look in your eyes and I knew I'd decided  
To never say never again-Never again
