

Shine

Mr. Big

I never really feel quite right
I don't know why, all I know is something's wrong
Every time I look at you, you seem so alive

Tell me how do you do it, walk me through it
I'm following every footstep
Baby, on your own you take a cautious step
Do you wanna give it up?

But all I want is for you to shine
Shine down on me
Shine on this life that's burning out

I say a lot of things sometimes that don't come out right
And I act like I don't know why
I guess a reaction's all I was looking for, yeah

You looked through me, you really knew me
Like no one has ever looked before
Baby, on your own you take a cautious step
Do you wanna give it up?

But all I want is for you to shine
Shine down on me
Shine on this life that's burning out
I know, I know, girl you got something

Shine, shine it on to me
Shine down on me, I wanna feel it
Shine on this life that's burning out

Baby, on your own you take a cautious step
Do you wanna give it up?

But all I want is for you to shine
Shine down on me, just show me something
Shine on this life that's burning out
You give me something that I never know

Shine, shine down on me
Shine on this life that's burning out
Shine, shine down on me
Shine on this life that's burning out
