

Strike Like Lightning

Mr. Big

I can see the look in your eyes
I can see it took you by surprise
each day I search to find the answers why
each night I say a prayer for you

Strike like lightning the thunder in my eyes
out of the darkness the winner will survive
strike like lightning the fire in your eyes
straight to the heart now lightning tracks the sky

You can see it in everything I do
we're turning back to our win of lose
every day I push the limit once again
every night I make it all come true then I

Strike like lightning the thunder in my eyes
out of the darkness the winner will survive
strike like lightning the fire in your eyes
straight to the heart now lightning tracks the sky

Each day I search to find the answers why
each night I say a prayer for you a prayer for you

Strike like lightning the thunder in my eyes
out of the darkness the winner will survive
strike like lightning the fire in your eyes
straight to the heart now lightning tracks the sky

Strike like lightning the thunder in my eyes
out of the darkness the winner will survive
strike like lightning the fire in your eyes
straight to the heart now lightning tracks the sky
