

Tears

Mr. Big

Tears,
from saying goodbye,
Tears,
I'm sorry but I have made up my mind,
I'm leaving to find a new life,
a new love.

All I can tell you is never
all I can give you
are tears...

Tears,
fall down from my eyes,
tears,
A man never cries,
he should hold them back,
hide them so no one could see
the real me...

all I can tell you is never
all I can give you
are tears...

After the love ran out,
I might be going out of my head
but instead...

I've made up my mind,
I'm leaving to find a new life,
a new love...

All I can tell you is never
all I can give you
are tears...

All I can give you
are tears...

Fall down from my eyes,
tears...

oooohoow...
