

Wind Me Up

Mr. Big

There ought to be a law against it
To lead a man on and then let him go
What's the world comin' to
When you can't slide into home

Tell it like it is woman
Tell the boy maybe or nevermind
We could go all the way
The big boys don't like to waster time

Wind me up-
I need enuff to keep me satisified
Wind me up-
I wanna hold you but my hands are tied
Wind me up-
You kiss me quick and then
You turn me off
Wind me up

The only way she winds you up
Is when you ask for too much trouble
Ain't no room for a 2nd change
When the 1st one ain't even over

Pack with a powerful love
That I just can't get enough of
Lay your cards on the table
Baby Make no mistake about it

It's time to get the cat out of the bag ...
