

After School Special

Mr. Bungle

My mom is better than
Your mom and your dad too
She knows nutrition well
That's why I'm trim & lean
Because she cooks
She cleans
She lies...she says
I'm handsome

Once dad hit me so hard
Mom felt it on her cheek
Because she cooks
She cleans
She lies...she says
I am handsome (that's right)

My mom
Is better than
Your mom and your dad too
She's there when she needs to be there
That's why I'm here today
Because she cooks
She cleans
She lies...she says...
You lied to me
