

## After School Special

Mr. Bungle

My mom is better than  
Your mom and your dad too  
She knows nutrition well  
That's why I'm trim & lean  
Because she cooks  
She cleans  
She lies...she says  
I'm handsome

Once dad hit me so hard  
Mom felt it on her cheek  
Because she cooks  
She cleans  
She lies...she says  
I am handsome (that's right)

My mom  
Is better than  
Your mom and your dad too  
She's there when she needs to be there  
That's why I'm here today  
Because she cooks  
She cleans  
She lies...she says...  
You lied to me
