

# The Secret Song

Mr. Bungle

Quiet  
Don't tell anybody  
Don't let 'em know  
There's a secret

I know the secret song now  
They wouldn't tell me  
But somehow I found out  
Yeah

Goddammit, I'm pissed off  
I didn't get to play on it at all  
No way  
They kicked me out of the band
