

# You Should Be A Model

Mr. Capone-e

[CHORUS:]

You should be a model

[whistle]

I bet u hear that all the time

got the body of a goddess

face like an angel

girl I'm being honest I can see u up on the cover of a magazine

[X2]

[Verse 1]

Back again baby

its ur daddy capone

I'm facinated by ur looks and i'll be a lavron

check out this little song

I wrote with a passion

u was sent from above

and u look so attractive

now let me ask u if u done a little modeling

been around the world catwalking done a little traveling

[whistle]

I've been scoping out ur beauty

u look so fly

did I see u on a movie

shoot me with an arrow

got a body of a goddess

a face like an angel and I'm just being honest

u so fine wit ur mack and chanell

might as well take a cruise while i bump some pharell

[CHORUS x2]

You should be a model

[whistle]

I bet u hear that all the time

got the body of a goddess

face like an angel

girl I'm being honest I can see u up on the cover of a magazine

[Verse 2]

I swore I've seen u on a gucci magazine

or was it the lowrider next to the sixty three

or was it covergirl

it dont really matter

I'm flattered by ur smile and ur lips make you bad too

Settle down as I take u on a little trip

sexy pre madonna to the world

yous a gift

Fly like the wings of a plane from the heavens above

u the thunder and the rain

sitting down watching every move that u make

u shopping at tiffanys

u make no mistake huh

ur so good

u so hood

u so commercial

damn girl u gots the makings of a model

[CHORUS x2]

You should be a model  
[whistle]  
I bet u hear that all the time  
got the body of a goddess  
face like an angel  
girl I'm being honest I can see u up on the cover of a magazine

[Verse3]  
I can see u on a magazine  
and that's no doubt I can see u as miss universe wit ur crown  
I can see u in lingeure walking that round  
I can see u wit a bikini at the sunshine dance do i dig  
[whistle]  
u so damn pretty walking the red carpet with ur custom armani mahoggani dresses  
u looking so fresh like a rose in a garden  
u standin out from the rest  
dress to impress all around the world wit ur nice silky skin and ur diamonds  
and pearls  
if I had one wish from a genie in a bottle I ask for a girl like u just like  
a model

[CHORUS x2]  
You should be a model  
[whistle]  
I bet u hear that all the time  
got the body of a goddess  
face like an angel girl  
I'm being honest I can see u up on the cover of a magazine

[whistle]
