[Verse 1:]

I've been watchin you so long
I know this feelin can't be wrong
I've been waitin all this time to get your body (Get your body)
And I know you feel the same
Baby don't you feel ashamed
So expose all that you got cause I know your ready
(I know your ready)
So baby turn off the lights and the radio
Cause I don't want nobody to mess up the flow
Cause the time is right and you got the glow
So baby here we go (Here we go)
You see you hot like a fire so your burnin up (Burnin up)
Just like a volcano and so you erupt (Oh baby)
Baby put it on me like your doin a show
But no video cause nobody should know

[Chorus:]

That you give me (Give me) oh give me (Oh give me)
Give me what you can't give back
(Give me what you can't give back)
Give me, oh give me (Give me baby)
Give me what you can't give back (Yeah yeah yeah)

[Verse 2:]

Now it's time to escalate
Let me take you to a place
A place of paradise we call ecstasy (Ecstasy)
Girl I gave you and you gave me
Now we both just feel so free
Feel like two young birds just singin in the tree
(In the tree) Mek we go so now
Oh la oh la hey, stop, drop
So baby turn off the lights and the radio
Cause I don't want nobody to mess up the flow
Cause the time is right and you got the glow
So baby here we go (Here we go)
You see you hot like a fire so your burnin up (Burnin up)
Just like a volcano and so you erupt (Oh baby)
Baby put it on me like your doin a show
But no video cause nobody should know

[Chorus:]

That you give me (Give me baby)
Give me what you can't give back (Never get it back)
(Give me what you can't give back)
Give me, oh give me (Give me baby)
Give me what you can't give back

[Bridge:]

You got to give it all to me girl
Cause I been waitin patiently
You got to give it all to me girl
Let me set your body free
You got to give it all to me girl
Cause I been waitin patiently
You got to give it all to me girl
You got to give it to Easy

[Chorus:]

Give me, oh give me
Give me what you can't give back (Oh lady)
