## **Anyone But Him**

## Mr Hudson

Anyone but him
I'd rather hear you had the whole football team
Than have to watch his filthy lips on your skin
Anyone but him
Anyone but him

With schoolboy fists, we can take this outside But knowing my luck that fuck could win Anyone but him

Who's gonna take you home, who's gonna take you home Who's gonna take you home, if it isn't me If it isn't me, if it Anyone but him

My blood boils as my eyes turn green
Is this the best of the best of the scene
Anyone but him
Anyone but him

With schoolboy fists we can take this outside But knowing my luck that fuck could win Anyone but him

Who's gonna take you home, who's gonna take you home Who's gonna take you home, if it isn't me If it isn't me, if it Anyone but him

Look past the leather and the dash and the rims And you'll see his whole hustle wears thin Anyone but him Anyone but him

He's gonna take what you can't take back Then's he's gone out the door on a whim Anyone but him

Who's gonna take you home, who's gonna take you home Who's gonna take you home, if it isn't me If it isn't me, if it

Now when she go black, she ain't never coming back I'm sorry Mr. H, I thought you already knew that You'll see her on a black street like Chauncey I'm a bad boy like Sean C.

Roc-A-Fella like S C.

Keep them Apes with me like Don C

Like Jay, keep Beyonce
I'm just talking nonsey, so nonchalantly

See my Mark like Ronsy

Pop my collars like Fonzy

Paparazzi is on me
I see your girl want me, I'm filling up her glass

Feeling on her ass, feeling so upper class

And your boy, so fresh
I might even flash cash

So at the end of the night, you ain't even gotta ask Who's gonna take you home, who's gonna take you home Who's gonna take you home, if it isn't me If it isn't me
If it isn't me

Who's gonna take you home, if it isn't me Who's gonna take you home, if it isn't me If it isn't me

Who's gonna take you home, who's gonna take you home Who's gonna take you home, if it isn't me
If it isn't me, if it isn't me
