```
Mr. Mister
I Wear The Face
32
Fallin', fallin', fallin'
This is your pilot speaking, we're losing altitude
Just when emotion's peaking, awakening is rude
I've seen that disbelieving look upon your face
Now watch our bodies both as one we fall through space
Chorus:
32, do a 32, do a 32, and keep falling
Falling
Now all the constellations look just like you and me
The earth keeps getting closer, the force of gravity
Second per second becomes hour after hour, into infinity we fal
1 together
(chorus repeats 2x)
(Solo)
I've seen that disbelieving look upon your face
Now watch our bodies both as one we fall through space
(chorus repeats 4x)
Fallin', fallin'
_____
