

Black/White

Mr. Mister

We are two shadows moving on a wall
Two characters both weak and strong
We chant and we dance, we draw ourselves in
Then we run from each other again

[Chorus:]

Love is so strange, how we change from day to night
Love is so strange, how we change from black to white
Ever so strange, how we change from day to night

Hey yeah

I draw a picture of your face, another time, another place
We are the ones who fell into this love
We must be in the right place

[Chorus]

That's right, that's right, that's

[Solo]

[Chorus]

That's right, that's right, yeah
Love is so strange, love is so strange, love is so strange
Ooh, love is so strange, love, how we change, yeah yeah
Love is so strange, how we change, we change, we change, we change
How much we change, much we change, yeah

[Chorus]

That's right, that's right, yeah

Love is so strange, how we change from black to white
