

## Black/White

Mr. Mister

We are two shadows moving on a wall  
Two characters both weak and strong  
We chant and we dance, we draw ourselves in  
Then we run from each other again

[Chorus:]

Love is so strange, how we change from day to night  
Love is so strange, how we change from black to white  
Ever so strange, how we change from day to night

Hey yeah

I draw a picture of your face, another time, another place  
We are the ones who fell into this love  
We must be in the right place

[Chorus]

That's right, that's right, that's

[Solo]

[Chorus]

That's right, that's right, yeah  
Love is so strange, love is so strange, love is so strange  
Ooh, love is so strange, love, how we change, yeah yeah  
Love is so strange, how we change, we change, we change, we change  
How much we change, much we change, yeah

[Chorus]

That's right, that's right, yeah

Love is so strange, how we change from black to white
