

# I Don't Know Why

Mr. Mister

Welcome to my garden  
The statues stare with eyes of stone  
I offer you these roses  
Feel the cut of every thorn

And we keep falling, I don't know why  
Like rain falling down from the sky

You go 'round in circles  
And I go 'round to follow you  
Moving slow as turtles  
Making sure our hearts are true

And we keep falling, I don't know why  
Like rain falling down from the sky  
We go on and on just the same  
Knowing love will never die  
Like rain falling, I don't know why

Here, take my hand to hold onto  
In the garden  
I'll be there with you, there with you

We talk about our freedom  
And run back to each other's arms  
If that's a sign of weakness  
Then I don't want to be so strong

And we keep falling, I don't know why  
Like rain falling down from the sky  
We go on and on just the same  
Knowing love will never die  
Like rain falling and I don't know why

When the weight of the world is on you  
Know I'll be there with you  
In the garden  
Oh, no matter where you go  
I will be there with you

I don't know why  
I don't know why
