

## Power Over Me

Mr. Mister

I sit and watch you sleep  
As you dream your dangerous dreams  
I feel the healing heat  
As the inner voices scream

Your pain is mine  
My blood is yours  
I feel so helpless just watching you

This is the power over me  
I'm rendered helpless  
You've got me on my knees

You have the power over me  
Nothing is certain  
I wait for recovery

They say it's always the same  
Two steps forward one step back  
Whatever he arranges  
We must do the best we can

Your pain is mine  
My blood is yours  
Can you hear me I'm calling you

This is the power over me  
I'm rendered helpless  
You've got me on my knees

You have the power over me  
Nothing is certain  
I wait for recovery

Look at the power over me  
I'm rendered helpless  
You've got me on my knees
