

# I'll Follow The Sun

Mr. President

I`ll follow the sun  
Into a new day  
I`ll follow the sun  
Right to the place I wanna be

We can make the world go round  
Why don`t you follow me  
Right to the place I wanna be  
Yeah, we can make  
The world go round  
Why don`t you follow me  
Right to the place I wanna be

Dreams can make you happy  
If you really let them win  
We can make the world go round  
There`s so much to begin  
I know a better place  
I need your warm embrace

Take my hand  
I`ll take you to the land  
Where you`ve never been  
With you by my side  
I can ride to the moon on a violin  
You make me feel so right  
I need your love tonight

Sun shining in my face  
And feel the need for some  
Sunny place  
Up and away from  
Hustle and bustle of the city  
Where life is such a pity  
I need you right here in my arms  
Underneath the shade of sunny palms  
Where the skies are blue  
And we can have some fun  
I`ll follow you  
Like I`ll follow the sun
