Move your spirit and feel your soul
This is the age when ?? is king
And information control means everything
??? the secret that would change our lives
??? the power to ?????
We must decide ??? fate
As we prepare to face the space gate

You and me we'll always forever
Ever and ever (2x)

Sha na na na na na na na na
In space

When would we see as time and free
When you'll be you and will I be me
In 1950 years how would we travel
The question in future can we ?????
Pages stram on megabyte
Can we control we out of the fight
We must decide ??? fate
As we prepare to face the space gate

You and me we'll always forever
