

# Nothing Really Matters

Mr. Probz

When she's OK  
Then I'm alright  
When she's awake  
I'm up all night  
Nothing really matters  
Nothing really matters

I see her face  
And in my mind  
I seize the day  
Whenever she's nearby  
It's like nothing really matters  
Nothing really matters

She completes me  
How she reads me  
Right or wrong

It's so clear she's  
All that I need  
All I need

I know what it feels like  
I know what it feels like  
Swimming through the stars when I see her  
And I don't need air cause I breathe her

I know what it feels like  
I know what it feels like  
I breathe her  
I breathe her  
Every time I see her  
Every time I see her, oh

When I'm lost  
And need a sign  
She leads the way  
And I'll be fine  
Nothing really matters  
Nothing really matters

She completes me  
How she reads me  
Right or wrong

It's so clear she's  
All that I need  
All I need

I know what it feels like  
I know what it feels like  
Swimming through the stars when I see her  
And I don't need air cause I breathe her

I know what it feels like  
I know what it feels like  
I breathe her

I breathe her  
Every time I see her  
Every time I see her, oh

Every time I see her, oh  
Every time I see her, oh

Well she's OK  
And I'm all right  
When she's awake  
I'm up all night  
Nothing really matters  
Nothing really matters
