I Walk These Kingston Streets
Everyday A Bare Gunshot A Beat
I Cant Get No Sleep
All I Hear Is Ak When They Speak
I Walk Spanish Town
All I Hear Is Someone Get Gundown
When I Look Around
All I See Is Bodies On The Ground

My Shadows Of Ray To Evil Walk Beside Me
My Shadows Of Ray To Evil Walk This City
Gundog And Dem Friends Fully Mark
In A Kingston City
Too Many Guns In Town

No Love, No Love
We Need Some In This City
No Love, No Love, No Love And No Pity
No Love No Love
We Need Some In This City

I Locked Up In My Room
Cuz Everyone Seems To Be Going To Soon
I Wanna Watch The Moon
I Wanna Watch The Flowers When They Bloom
I See The Mountain View
I See Babylon~
Look At Amanderville
Used To Be So Peaced
Now People Get Killed

My Shadows Of Ray To Go Outside My Garden
My Shadows Of Ray Then I Want To Go To Heaven
Gundog And Dem Friends Dem A Ready Kill Eleven
Too Many Guns In Town
