

You're Gonna Need Me

Mr. Vegas

The whole town talking bout
You and your new girl
Your flying high now
In your single world
But your gonna need me
Boy your gonna need me
Your gonna need me darling
And it won't be long

See it deh now a di same bag a talking thing mek mi leaving
Two weeks pass a mi she no little squeezing
Yuh nuh si into our love life freezing
Yuh start hear she suh a me yuh stop pleasing
One month mi gone a new man yuh find, it look like she yuh did have him long
time
Now yuh atart accusing mii with words so unkind
A gwaan like she mi comitt the worst crime

When you leave and say goodbye
Don't come back with tears in your eyes
You had a good lover once
But you didn't know
But your gonna need me
Boy your gonna need me
Your gonna need me darling
And it won't be long

Bye bye bye bye bye bye bye bye
Bye bye bye bye bye bye bye bye

The whole town talking bout
You and your new girl
Your flying high now
In your single world
But your gonna need me
Boy your gonna need me
Your gonna need me darling
And it won't be long

But mi she really and truly girl mi a left yuh cause yuh unruly
Big like a me yuh waan school me, mi a tell yuh little girl yuh caan cool me
Yuh a walk and a talk bout she mi want yuh back
A laugh and a talk how mi new girl flap
A seh how mi leave yuh and gone to that
A sing song a who a ring off mio phone none stop

Talk if yuh talking I say you can keep on talking
I say let them talk if them talking I say you can keep on talking

But your gonna need me
Boy your gonna need me
Your gonna need me darling
And it won't be long

Bye bye bye bye bye bye bye bye

When you leave and say goodbye

Don't come back with tears in your eyes
You had a good lover once
But you didn't know
But your gonna need me
Boy your gonna need me
Your gonna need me darling
And it won't be long

Talk if yuh talking I say you can keep on talking
I say let them talk if them talking I say you can keep on talking
