

## Screaming for love

Mrozu

You're screaming for love, I go down,  
Your body's beggin', turnin' around,  
Tell me sweet lies, hey  
hey shorty lets take a chance,  
lets row with the sweet embrace  
You're screaming for love, I go down,  
Your body's beggin', turnin' around,  
Tell me sweet lies, woah, woah, yeah

I wanna' focus on your body,  
You lokin' so damn fine,  
I wanna' focus on you honey,  
You make me realize,  
That tonight I'm gonna' go no where,  
I sittin' here so don't be scared,  
Just believe me, everything gonna' be all right, yeah

You're screaming for love, I go down,  
Your body's beggin', turnin' around,  
Tell me sweet lies,  
hey shorty lets take a chance,  
lets row with the sweet embrace  
You're screaming for love, I go down,  
Your body's beggin', turnin' around,  
Tell me sweet lies,

Just relax your mind, it's fells so good  
like flying to the sky,  
were you hold me tight  
you don't need to cry no more  
Cry no more,  
I'm that kind of guy,  
who want's to spoil you upside down  
Give me your hand baby, cuz' tonight is the night.

You're screaming for love, I go down,  
Your body's beggin', turnin' around,  
Tell me sweet lies, hey  
hey shorty lets take a chance,  
lets row with the sweet embrace  
You're screaming for love, I go down,  
Your body's beggin', turnin' around,  
Tell me sweet lies, oh no, no, no

I wanna' hear you screaming,

When you turnin' round

You're screaming for love, I go down,  
Your body's beggin', turnin' around,  
Tell me sweet lies,  
shorty lets take a chance,  
lets row with the sweet embrace  
You're screaming for love, I go down,  
Your body's beggin', turnin' around,  
Tell me sweet lies,

Cuz you screaming for love
