

# Now U Want My Love

Ms. Dynamite

Remember when I was so weak 4 u  
Remember when I felt so deep 4 u  
I remember the days that I cried 4 u  
Remember the day I thought I'd die 4 u  
But us said u had no time 4 me  
Said that u and I would never be  
Said u wouldn't mind getting up between my legs  
But not good enough 2 b ur girl that's what u said

Ooh how u broke my heart that day  
All the love I had 4 u but only disrespect  
did u show me

Now u want my love  
So what u trying 2 tell me  
Now I'm good enough  
And now u want my time  
If u think ur gonna get it must be out ur fuckin mind

Now it was "pure" disrespect that u showed me  
And suddenly a brother wanna know me  
Is it because I'm Ms. Dynamite  
That suddenly us wantin' me 2 b ur wifey  
Ur showing how shallow u really are  
Cos all this shit don't make me no superstar  
Lickkle name lickkle fame up in dis game

I'm still the same

Girl who's heart u broke that day  
All the love I had 4 u but only disrespect  
did u show me

Now u want my love  
So what u trying 2 tell me  
Now I'm good enough  
And now u want my time  
If u think ur gonna get it must be out ur fuckin mind
