

## Ash Tree Lane

MS MR

Oooooh ooh  
Creatures seem to scream and faint  
Shadows blink and the laws will brake  
Questions we could never solve  
As answers in darkness evolved  
Ooh ooh

Moving space but not in time  
Choices made but nothing's right  
Flakes of memory played by disease  
Have only seen what I wanna see  
Ooh ooh

The dream I take  
To awake  
When my mind's a mess
