## Hurricane

Didn't know what this would be But I knew I didn't see What you thought You saw in me I jumped the gun So sure you'd split and run Ready for the worst Before the damage was done The storm never came Or it never was Didn't know getting lost in the blue It meant I wound up losing you Welcome to the inner workings of my mind So dark and foul I can't disguise Can't disguise Nights like this I become afraid Of the darkness in my heart Hurricane What's wrong with me Why not understand and see I never saw What you saw in me Keep my eyes open My lips sealed My heart closed And my ears peeled Welcome to the inner workings of my mind So dark and foul I can't disguise Can't disquise Nights like this I become afraid Of the darkness in my heart Hurricane Make ash and leave the dust behind Lady diamond in the sky Wild light Glowing bright To guide me When I fall I fall on tragedy Welcome to the inner workings of my mind So dark and foul I can't disguise Can't disquise Nights like this I become afraid Of the darkness in my heart Hurricane
